

Record Biomap – Workshop

“Innovative solutions for small and medium biogas plants”

Date: 29.11.2017

**Venue: EXPO Mazury S.A.
Grunwaldzka Str. 55, 14-100 Ostróda, Poland**

Agenda

- 10:00 – 10:30* *Welcome Coffee*
- 10:30 - 10:40** **Welcome speech**
(UWM Olsztyn, Poland;
Department of Environmental Protection, Marshal Office in Olsztyn, Poland)
- 10:40 - 11:00** **Record Biomap Project: Introduction, Objectives** (DBFZ, Germany)
- 11:00 - 11:20* *Ultrasound disintegrator*
(UWM, Poland)
- 11:20 - 11:40* *Innovative digestion technology: High-Performance-Digester (HPD)*
(PRV Rossow, Germany)
- 11:40 - 12:00* *Innovative solution for biogas upgrading technology*
(RISE, Sweden)
- 12:00 - 12:20* *Reactor for micro-biogas plant*
(Czestochowa University of Technology, Poland)
- 12:20 – 13:00* *Coffee break*
- 13:00 - 13:20* *Biogas upgrading technology*
(NeoZeo AB, Sweden)
- 13:20 - 13:40* *Device for disintegration of organic matter before fermentation process*
(Intersonic, Poland)
- 13:40 - 14:00* *Pre-treatment technology: Pressure swing conditioning*
(DBFZ & Ventury, Germany)
- 14:00 - 14:20* *Financing of biogas investment in Polish conditions*
(The Voivodeship Fund for Environmental Protection and Water Management, Olsztyn, Poland)
- 14:20 - 14:30** **Summary**
- 14:30 – 15:30* *Lunch*
